

## **POOL RULES**

**Guests are asked to observe the following rules:**

- Access to the pool is available for guests only.
- The pool can be used between 09.00 am to 08.00 pm.
- Disabled people and children under 12 years old must have adult supervision at all times.
- The pool's depth is 1.40 metres in all its parts.
- No diving or running around the pool is allowed.
- The pool is closed during certain atmospheric conditions (storms).
- All personal items must be collected and tidied away when leaving the pool area (towels, pool toys, etc).
- No smoking, eating or drinking is allowed in the pool area.
- All guests are required to wash their feet and shower before entering the pool.
- Activities which involve holding your breath under the water are forbidden.
- Pets are not allowed in the pool area.
- Suntan oils and hair lotions may not be used by swimmers.
- It is forbidden to bring to the pool bottles or any other glass items, as well as objects not directly related to swimming and sunbathing.
- Persons under the influence of alcohol or narcotics will be denied admission to the pool.
- Persons in poor health conditions will not be allowed in the pool, for their own safety.
- Children under the age of 3 years old, as well as adults suffering from urinary incontinence, are required to use incontinence swim wear.
- According to law, nudism is not allowed in the pool area.
- The holiday farm's direction declines any responsibility for eventual accidents or harm resulting from guests' dangerous behaviours, especially if breaking the rules indicated above.

According to regional law, we are required to take legal action against swimmers who don't observe the pool rules. Therefore, we kindly ask our guests to collaborate with us, respecting the regulations. Thank you!
